

Infant and Early Childhood Mental Health

The foundation of all future development

Everyone who touches the life of a child can promote social and emotional well-being

Social and emotional development, or **infant and early childhood mental health**, is the developing capacity of a child from birth to 5 years old to...

Form close and secure **adult and peer relationships...**

Experience, manage and express a **full range of emotions...**

Explore the environment and learn...

...all in the context of family, community, and culture.
